

BAKING POWDER

Absolutely Pure

The official Government tests show Royal Baking Powder to be an absolutely pure and healthful grape cream of tartar baking powder, and care should be taken to prevent the substitution of any other brand in its place.

With no other agent can biscuit, cake and hot-breads be made so pure, healthful and delicious.

Royal Baking Powder costs only a fair price per pound, and is cheaper and better at its price than any other baking powder in the world. It makes pure, clean, healthful food.

HATBORO HOME HAPPENINGS

(Continued from Page Seven)

A SUCCESSFUL AFFAIR.

The main and closing event of the festivities of the Lehman Methodist Episcopal church, occurred on Friday afternoon and evening in the social hall of the church, when the chicken and oyster supper, for which the people of the borough and surrounding country had been expectantly waiting, was held. The affair was a successful one in every way and eclipsed anything in the line of a supper held in the borough for a long time, as over five hundred people were served. It was of interest to the entire community, persons attending from Doylestown, Warrington, Ambler, Horsham, Jenkintown, Willow Grove and elsewhere. From five until nine, the dining hours, a continual stream of people arrived and departed. Neatly attired waiters and waitresses added pleasantly to the scene. The hall was beautifully decorated with evergreens and electric lights. Up in the newly finished Sunday school room a "Festival of Nations" was held, beautiful booths being erected, representing the nations. This feature was also well patronized. The net proceeds of the affair, which will be added to the church improvement fund, will aggregate over \$150. The affair was continued on Monday night and was well patronized.

WHAT MAY BE EXPECTED.
We do not promise impossibilities, but if you will take Dill's Cough Syrup according to directions with fairness and regularity, and continue the treatment a reasonable length of time, this preparation very seldom fails for all Coughs, Colds, Hoarseness, Bronchitis, Sore Throat and etc. At all Dealers.

FALLING ROCK KILLS A MAN
Hurled into Air by Blast, Stone
Crushes Out Workman's Life.

Gratz Satto, 59 years old, of Seventh
and Pemberton streets, was instantly
killed at Eighth street and Cheltenham
avenue, Oak Lane, last Saturday,
when a large rock was thrown from an
excavation where Satto had been
blasting, striking him on the head.

Satto had placed the charge of dy-
namite beneath a rock and lighting
the fuse he stepped away. Suddenly
the fuse ignited the dynamite and
threw the rock high in the air. It
came down and fell just out of the way
the rock had struck him, bearing him
to the ground. When fellow workmen
reached him he was dead.

ORIGIN OF

Pinkham's Blood Purifier

Lydia E. Pinkham, of Lynn, Mass., succeeded in producing, from the roots and herbs of the fields, Lydia E. Pinkham's Vegetable Compound, the most successful medicine for women's ailments the world has ever known. After she had put this on the market, women began to write her about their health, because they felt a natural delicacy about consulting any man physician regarding these ailments for which the Vegetable Compound is intended.

She soon found that her correspondents often had complications caused by impure, impoverished blood, and she recognized the necessity of having a reliable blood purifier which she could recommend with confidence as

The Best Spring Medicine

Then, as now, there were many blood purifiers and spring medicines on the market, and after looking into them, she found nothing so good as the old home medicine made from roots and herbs, which she had been accustomed to use in her own family, so she had this made up on a large scale, and furnished it to the stores. It has been very little advertised, but has attained a large sale solely on its merits, and is really a wonderful blood purifier and spring medicine.

It is a good, old-fashioned household remedy made from roots and herbs, which has been used from generation to generation for purifying the blood, removing humors and eruptions, and for that all "played out" feeling.

A petition is being circulated that will be presented to the Board of Commissioners, asking for the laying of concrete walks along Mt. Carmel avenue, between Tyson avenue and Edge Hill road. This walk will be of great benefit to that particular community and to all who use that street.

Base ball practice will soon start at Glenside park, so that the team will be in a position to fight good and hard for first place in the North Penn League. From all accounts the team will be represented by a first class team and one that will make a good showing. The association will fix up the grounds and build a larger grand stand and bleachers and be prepared to handle a larger crowd than ever.

Glenside was the best looking town while a member of the Montgomery County League.

It has been decided that Glenside is able to support the Boy Scout movement and to that end I. D. Sutton, County Scout Commissioner, has been invited to address all interested at a meeting to be held in the Baptist church, Glenside, on Monday next, March 20th, at 8 o'clock. Mr. Sutton is well informed and will be able to tell us what is being accomplished in this vicinity. It is understood that Glenside, Ashbourne, Cheltenham, McGinley and Elkins Park have taken and it is hoped that Glenside will be back yard in having patrols of its own. The material is at hand and all that is required is a good stand and that is required in a good stand.

The rest is assured.
